

Classroom Rules

My students have three rules to follow while they are at Pleasant school. These rules are in place to ensure the safety of the children and to help promote a comfortable classroom atmosphere.

1. Respect other people, the school, and yourself.
2. Keep hands, feet, and objects to yourself.
3. Speak at appropriate times using appropriate voices.

Procedures

The students also learn many procedures to follow while they are in my class. They learn the procedures for what to do if they need to use the restroom, want a drink of water, need their pencil sharpened, how to work together with their peers, and many other daily practices. These procedures mainly aid classroom management and are in place so the students know what to do at all times, minimizing disruptions in our day.
