Getting Help

If you are having trouble, come talk to me as soon as possible! Ask questions during class, and take advantage of all opportunities to learn. Extra help from me is always available. See me to arrange a time for us to work together. Be sure to ask for a lunch pass if you need to come during lunch.

OFFICE HOURS

ABSENCES

You will be allowed to make-up work if you are absent, for **full credit**. However, it will be your responsibility to get the make-up work you need. If the assignment requires 1 day, you have one day to make up, if it requires 2 days, then you have 2 days, etc.

If a science lab is missed or you need to use school equipment to do your make-up work, you may make up the lab during your lunch. If this is not possible for you, then you may be given a written assignment.

Turn in make-up work or late work to me.

Be Prepared

- **BRING required materials TO CLASS (SCIENCE NOTEBOOK AND CALENDAR). ALL OTHER ITEMS WILL BE PROVIDED as needed**
- **SUGGESTED materials INCLUDE COLORED PENCILS, COLORED HIGHLIGHTERS, FINE TIP markers, and COLORED PENS.**
- **CLASS BEGINS as soon as you enter the room. BE PREPARED TO FILL IN your calendar and DO the warm up activity.**

Late Work

Work must be turned in the day it's due. Be prepared!! I will accept late work BUT all late assignments will be deducted 20% from the final score. However, late work must be 100% complete or it will not be accepted. You will have 2 weeks after the due date to turn it in. After two weeks the assignment cannot be made up and will be recorded as a zero.
