

# Welcome to the 2016-2017 School Year in Mrs. Decker's First Grade Class!

*This year we will be focusing on becoming a leader. Scholars will learn about the 7 habits to becoming a successful scholar and person of character. If one of the habits is broken, scholars will move a clip down the behavior chart and request a meeting with myself. If the habit is used, the scholar will move their clip up. A behavior chart will be sent home weekly with a detail description of success!*
