

# CLASSROOM VOLUNTEERS

I love having classroom volunteers! If you are able to and will be dependable, please let me know. You must be fingerprinted and have TB clearance. If you are able to help in other ways, please let me know!

Homework will be sent home on Fridays and WILL NOT be due until the following Friday. If there is no school on a Friday, homework will be due on Thursday. This is your scholars responsible and they must become proactive in their education. I give 7 days to complete 5 days worth of homework. Scholars will keep a journal of their homework progress.
