

### **Mrs. Hennigan's Homework Policy 16-17**

Most days, scholars will not have Social Studies homework; however, if a scholar chooses not to use class time wisely to complete classwork, that classwork then becomes homework and must be completed outside of class by the BEGINNING of the next class period in order to be counted as on time.

- On days when **homework** is assigned, it is due at the beginning of the class period on the due date, unless otherwise stated.
- **Late work** will receive 50% credit and can be turned in up to the end of the trimester.
- **Incomplete work** will be handed back to be completed and turned in late.
- Scholars have two days for each day **absent** to turn in missed work. Please write ABSENT at the top of the page to alert me that your work is from an absence and that it is not late.
