If the Procurement Officer determines that an aggregate award to one Offeror is not in the School District's interest, "all or none" Offers shall be rejected.
- B. Contract Inception. An Offer does not constitute a Contract nor does it confer any rights on the Offeror to the award of a Contract. A letter or other notice of award or of the intent to award shall not constitute acceptance of the Offer.

The bidder submitting a request for interpretations will be responsible for its prompt delivery. All requests for interpretations shall be made in writing. The Owner will not be responsible for any explanations or interpretations except those duly issued in the form of written Amendment. Receipt of any Amendment so issued during the time of bidding shall be included in the bid and shall be acknowledged in the Bid and be made a part of the Contract Documents.

4. **Purpose of Specifications**

Specifications are designed to enable bidder to satisfy a requirement for a product, material, process, or service. If bidder believes a specification is unnecessarily restrictive, bidder must indicate such in its bid.

A. Use of Brand Names

Brand names, trade names, model numbers, and/or catalog numbers are used to indicate the character, quality, and/or performance characteristics of the materials desired. Use of the name of a manufacturer, brand, make or catalog number does not restrict bidder from offering suitable alternates. However, Wickenburg Unified School District reserves the right to decide whether alternatives to the identified manufacturer and brand are equal to the materials, equipment described in the solicitation. Wickenburg Unified School District will be the sole judge on the question of equal quality, and the District's decision shall be final.

5. **Bid Preparation**

An authorized representative of the Offeror will sign bids. All information requested must be submitted. Failure to submit all information requested may result in a lower evaluation or rejection of the bid. Bids should be prepared simply and economically, providing a straightforward, concise description of the capabilities to satisfy the requirements of the IFB. Emphasis should be on the completeness and clarity of content. The District will not provide any reimbursement for the cost of developing, demonstrating or presenting bids in response to this IFB. A checklist is provided in this bid document as a courtesy.

All quantities for bid submittal purposes are to be field verified by qualifying vendor prior to submitting bid submittal. The Offeror is cautioned that it is the Offerors sole responsibility to submit information related to the evaluation categories and that the Wickenburg Unified School District of Arizona is under no obligation to solicit such information if it is not included with the offerors bid. Failure by the offeror to submit such information may cause an adverse impact on the evaluation of the offerors bid.

6. **Base Bid and Alternates**

Alternates are completely described in the Specifications. In the Bid form, the blank spaces opposite the correspondingly numbered Alternates shall be completed by inserting the exact amount to be deducted from, or added to, the Base Bid for that particular Alternate only. Alternates will be awarded as budget allows.

H. Offer Submission, Due Date and Time

It is the responsibility of the vendor to ensure that the bid packet is delivered on the due date by the time required. Delivery times vary for all packages delivered to WUSD. If packages are received after the due date and time specified in the solicitation due to carriers like UPS or Fed Ex delivering late, WUSD will not be held responsible and your offer will be rejected. Plan accordingly.

9. Evaluation

A. Opening

Sealed bids received by the correct time and date shall be opened and the vendors' pricing shall be publicly read. All other information contained in the Offer shall remain confidential until award is made.

B. Evaluation Criteria

The bids will be initially evaluated for conforming to the requirements of the IFB. A spreadsheet will then be built with all the pricing and costs for the IFB. **Offers must first meet the following mandatory requirements:**

- 1. Included their Signed Offer Form**
- 2. Included their Bid Bond**
- 3. Have a valid license to do the work**
- 4. Have no unresolved issues at the Arizona Registrar of Contractors**
- 5. Have no unresolved issues with previous SFB funded projects**

The evaluation criteria are listed below in relative order of importance:

1. Responsiveness of the bid in clearly stating and understanding the Scope of Work, and in meeting the requirements of the IFB.
2. Does the vendor have a history of least three years being responsible in the delivery of these goods and services in the past without unresolved issues?
3. After these criteria are met, price is the most important factor.

C. Deviations and/or Exceptions

All exceptions included with the Offer shall be submitted using the Attachment/Offer Form provided in this Solicitation where the Offeror clearly identifies the specific paragraphs of the Solicitation where the deviations and/or exceptions occur. Any deviations/exceptions not included in such a section shall be without force and effect in any resulting Contract unless such exception is specifically accepted by the Procurement Officer in a written statement. The Offeror's preprinted or standard terms will not be considered by the District as a part of any resulting Contract.

D. Clarification of Bid Submittals

If clarification of your offer is required, it will most likely be found non-responsive.

E. Responsibility, Responsiveness and Acceptability

In accordance with R7-2-1076, R7-2-1161, R7-2-1168, R7-2-1171, and R7-2-1003(B), R7-2-1031 or R7-2-1046, the District shall consider the following in determining Offerors' responsibility as the responsiveness of bids submitted in response to the solicitation.

Offerors may not be considered responsible if they have been debarred from the practice of their profession that would otherwise be necessary in the provision of goods and services under any resulting contract. Offerors may not be considered responsible if they have had a contract with the District, within the last three-years, that was terminated for cause, due to breach or similar failure to comply with the terms of any such contract. Offerors may also not be considered responsible if there is factual evidence of their frequent and reoccurring failure to satisfy the terms of their agreements and contractual relationships, both with the District or other government entities. Factual evidence shall consist of any documented vendor performance reports, customer complaints and/or negative references.

Determinations of non-responsibility and/or non-responsiveness shall be made in writing, and shall set forth the bases for the determination. Bids from offerors determined to be non-responsible or bids determined to be non-responsive, may be set aside at the time of the determination without further evaluations. Offerors will be notified if their bid is set aside for either of these reasons.

10. **Award**

A. Contract Award

The District reserves the right to award the base bid and any combination of alternates, if any, that is deemed most advantageous to the District in determining the lowest responsible and responsive bidder. 1. **Purpose**

The Wickenburg Unified School District (WUSD) (also referred to as “Owner”) is requesting bids from qualified General Contractors that would be interested in the Construction of a Lift Station and Forcemain Project. This solicitation will be awarded based on availability of funds from SFB.

- C. May: Indicates something that is not mandatory but permissible.

Fixed Firm Price

4. **Investigation by Offeror**

The District may reject any or all bids if such action is in the District's best interest.

The District may waive informalities and minor irregularities on bids received. The offeror's initial bid should contain the offeror's best terms from a price or cost and technical standpoint. The District reserves the right to make an award on any item for any quantity less than the quantity offered, at unit costs or prices offered, unless the offeror specifies otherwise in the bid. The District reserves the right to make multiple awards if, after considering the additional administrative costs, it is in the District's best interest to do so.

7. **Terms of Award**

It is the intent of the District to award a contract at its next Governing Board meeting after the approval of SFB funding.

8. **Award Basis**

The successful offeror(s) will be determined by Evaluation Criteria including but not limited to pricing. The District reserves the right to award as many contracts for the services as may be in the best interest of the District. Awards will not be made based on price alone, as the vendor must be responsive and responsible.

If a contractor receives a bid award, an order is placed and contractor is unable to meet the delivery requirements, meet service requirements, or material that meets the District's needs as outlined in this Invitation for Bid, or is unable to hold bid price, or fails to provide product or service within a reasonable period of time, AND/OR fails to provide product complying with bid specifications, as determined by the District, the District reserves the right to go to the next lowest bid price of equal quality which meets bid specifications. If the bid item delivered does not meet specifications or is received in an unsatisfactory condition and is in a damaged or unusable condition, or if service is unsatisfactory, contractor must pick up item immediately and replace to each district's satisfaction at no additional charge, or issue full credit, for service a return visit must be re-scheduled within 24 hours. Rejected items must be removed from the District's premises by the vendor upon verbal notification.

However, if a vendor receives a contract award and is unable to meet the service requirements as outlined in this Solicitation (and subsequent contract), or is unable to hold the contract price, or fails to provide acceptable service as determined by the District, the District reserves the right to go to the next highest ranked vendor if this determination occurs within a reasonable time period after contract award.

9. **Contract Payment Terms**

Offerors must indicate the prompt payment terms that they will offer to the District (for example: 2/10 Net 30; 2/15 Net 30, etc.) At a minimum, offeror's payment terms shall comply with the requirements of A.R.S. Titles 35 and 41, Net 30 days.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the instructions for line 1 and the chart on page 4 for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 3.

- Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What Is FATCA Reporting?* on page 2 for further information.
