WICKENBURG UNIFIED SCHOOL DISTRICT

JOB TITLE: TEACHER Blended & On-Line Learning Program (High School)

LOCATOR: 1.3

Position Type: Exempt	Department: Professional Staff
Salary Schedule: Certified	Reports to: Program Director
Salary Range: \$31,000 - \$38,200	Location: Wickenburg Digital Learning Program Campus (WDLP)
Term of Employment: Certified Calendar	Date: 4/14/11
Shift: Day	Approved by: Human Resources

We are creating excelling schools where there is a laser-like focus on the Essential Elements of Instruction and moving each student to the next academic level.

POSITION SUMMARY:

To provide educational opportunities where students may fulfill their potential for intellectual growth and to provide instruction that will result in students achieving academic success.

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and /or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

ESSENTIAL FUNCTIONS: Plans, organizes, and contribute as a member of the Wickenburg Digital Learning Program educational team; Generates, completes, and maintains reports for the schools, district and state in regards to student progress; Interprets assessment data to determine needs in instruction, core content area program, interventions and/or supplemental programs; Understands the philosophy and content of a blended on-line learning program; Plans and guides the learning process to help students achieve state standards; Able to work with high school students in a blended on-line learning program; Understands high school philosophy and uses that knowledge to better meet the instructional needs of high school students; Consistently uses technology for the benefit of students' education; Maintains a classroom atmosphere which is safe and conducive to learning; Observes and monitors control of student behavior in the classroom, school grounds, and other areas; Plans and implement activity/lesson plans that are in accordance with the Arizona State Standards. Lessons and activities should be specific to the needs of all students; Establishes, maintain and promote a classroom atmosphere which ensures the emotional and physical safety and well being of students and emphasizes mutual respect, self-worth, self-discipline, cooperation, consideration and responsibility; Maintain open lines of communication with parents/guardians; Assesses student needs and develop appropriate lessons or activities; Evaluates student performance and make necessary provisions to meet learning needs; Modifies the program to best meet the needs of individual students; Maintain a professional demeanor with students, parents, staff and administration; Engages in professional growth activities relevant to Best Practices and On-Line Instructional Methodology; Keeps appropriate documentation; Meets professional obligations through efficient work habits; Performs other duties and responsibilities as assigned by the principal / supervisor; Complies with all rules, regulations and policies of the Governing Board. **MARGINAL DUTIES:** Ability to relate well to both students and adults; Other job related duties as assigned by supervisor; Assists other personnel as may be required for the purpose of supporting them in the completion of their work activities.

SUPERVISORY RESPONSIBILITIES:

Supervises students as assigned.
