

WICKENBURG UNIFIED SCHOOL DISTRICT NO. 9

RAISING EXPECTATIONS

The following policies were enacted to focus attention on the value of academic achievement and to increase accountability.

GRADES 1 THROUGH 5

RECOGNITIONS

1. Students who “exceed” the standard on the reading and/or math sections of AIMS will receive recognition at the start of the school year.
2. Students who “exceed” on the reading and/or math sections of the Galileo benchmark test will receive recognition.

REQUIRED INTERVENTIONS

1. The Galileo Assessment will be given to all students, Grades 1 – 5, for reading and math. Any student who “falls far below” on the district assessment will be required to complete 8 hours of remediation for each deficient area.
2. If, at the end of the 1st, 2nd, or 3rd grading period, a student has an F in reading or math, the student will be required to successfully complete a minimum of 8 hours of remediation for each failing grade.
3. If, at the end of the 4th grading period, a student has an F in reading or math, the student will be required to attend summer school.

Remediation may include one or more of the following:

1. Tutoring
2. Intersession courses
3. Summer School
4. Saturday School
5. Private or Commercial Tutoring approved by the Principal.

EXCESSIVE ABSENCES

Regular school attendance promotes learning and achievement; therefore, students who have ten or more days of excused or unexcused absences in a semester will be required to complete 8 hours of remediation.

CONSEQUENCES

Students who fail to successfully complete the required remediation will be recommended for retention.

NOTES:

- Funding will determine the interventions available.**
- Each school team will determine, based upon need, which students are selected for intervention. No student will exceed 8 total hours for any given intersession period (this provision does not apply to summer school).
- Individual schools may choose to implement complementary positive and negative consequences for all testing programs.
- Special Education students requiring interventions will be referred to the IEP Team.
- Principals have the authority to make exceptions for students on an individual basis.
- Any retention decision may be appealed to the Governing Board, as per Board Policy.
