

Welcome to Festival Foothills PTA!

We are a group of parents and teachers who want to see our children succeed. We work with the school to promote a relationship between the home and the school. When you become a member of the Festival Foothills PTA, you also become a member of the State and National PTA. By paying your **annual membership dues of \$6.00 per member or \$10.00 per couple** you become a member of the largest parent involvement organization in the United States, with over 5 million members. This money is used to pay our annual insurance premium as well as administration costs such as paper and postage.

As a PTA member you have the right to vote on important issues throughout the year. While you are not required to volunteer to join, we have many opportunities to be involved in and our volunteers are always much appreciated. Nationally PTA has been responsible for many important decisions made in schools such as hot lunch and all day kindergarten. At our school our PTA has been able to get many supplies for our classrooms as well as help provide for extracurricular activities. Here are a few of the activities PTA will be hosting this year: Santa's Shop, Dr. Seuss night and our first School Carnival!

September is membership month. **On October 1st the classroom with the most parent/grandparent members will get a pizza party!** Thank you for becoming part of our Festival Foothills PTA! We could not do it without you!

If you have any questions, feel free to contact Claudia Fragoso (President) at 602-751-1089.
