

# **Hassayampa Annual Field Day**

Written by Brian Stradling, Southwest Food Service Director

The Wickenburg Unified School District and Southwest Foods would like to welcome parents and guests to join their students in enjoying the annual “Hassayampa Elementary School Field Day”, which is scheduled for April 28, 2017 at 8:30 AM.

Southwest Food Service will be providing lunch. Lunch services will begin at 10:30 AM with a delicious menu, which will include the following entrée’s. You may choose from a cheeseburger, a chicken patty sandwich or a grilled veggie wrap. Included will be seasoned fries, assorted fresh fruits & vegetables and assorted milks.

The outdoor festivities will feature a tug of war contest, relay races, tag games and tag scooter, to name a few. High school helpers will be assisting with the games.

Also, on this day, the time honored tradition of “Kiss the Hassayampa Pig” will be a part of the celebration, beginning at 8:00 AM. The “Winning Teacher”, determined by the “penny collection vote” will get to kiss the pig. The Winning Teacher will be able to choose a “Winning Student” to assist.

This is a great day of fun for students, staff, and families.
