

## Tax Credit Contribution Form

- ✓ Reduce the amount of money you owe or increase your refund for your Arizona State income tax by making a contribution to qualifying activities such as athletics, arts, or other after-school programs and claiming the extracurricular tax credit. Your general contributions help students become involved in fun, meaningful and life-enhancing activities. The funds go directly to the schools and programs you designate- not to the state or school district.
- ✓ Qualifying contributions (up to \$200 for individuals and up to \$400 for married couples filing jointly) can be claimed on personal Arizona income taxes to reduce the amount owed or increase the refund.
- ✓ Any Arizona taxpayer can make a tax credit donation, regardless of whether or not they have children in school or live in the J.O. Combs Unified School District.
- ✓ Tax Credit Donations made between January 1 – April 15 can be applied to either the previous years' taxes or to the current years' taxes.
