Child Find Information 2014-15

The intent of Child Find is that all children from birth through age 21 with delays or disabilities are identified, located and evaluated to receive the supports and services they need in order to progress in the general curriculum.

Public schools and the Arizona Early Intervention program are responsible for "finding" eligible children and providing services.

If you feel that your child has an educational disability or if they are of preschool age (children 2.5 years of age to 5 years of age) and has a delay, contact Wickenburg Unified School District, Laura Emter at 928-684-6714.
