

INSTRUCTIONS FOR APPLYING

Please use these instructions to help you fill out the application for free or reduced-price school meals. You only need to submit one application per household, even if your children attend more than one school in the **Page Unified District**. The application must be filled out completely to certify your children for free or reduced-price school meals.

Each step of the instructions is the same as the steps on the application. If at any time you are not sure what to do next, please contact the **NUTRITION OFFICE**.

Please **use a pen (not a pencil)** when filling out the application, and do your best to **print clearly**.

STEP 1- NAMES OF ALL CHILDREN IN THE HOUSEHOLD

List all household members who are infants, children, and students up to and including grade 12. This should include all children who live in your household. They do not have to be related to you to be part of your household.

List the first name, middle initial, and last name of each child. List one name per line, and write one letter in each box. Stop if you run out of space. If you need additional lines, attach a second piece of paper with all required information for additional children.

If the children attend school, please list the name of the school.

If you believe the children are foster, homeless, migrant, or runaway, be sure to mark the box next to the child's name under foster or homeless, migrant, runaway.

Once all children have been listed, **go to STEP 2**.

STEP 2- SNAP, TANF, OR FDPIR PARTICIPATION

Do any household members (including the adults) currently participate in one or more of the following assistance programs: SNAP, TANF, or FDPIR?

In the gray bar, circle either yes or no.

If Yes- List the case number in the large box labeled Case Number and go directly to STEP 4.

If No- Leave this section blank and **go to STEP 3**.

STEP 3- HOUSEHOLD INCOME INFORMATION

- A. Child Income-** Report all income earned by children in the household. Refer to the chart below titled "Sources of Income for Children" and report the **combined gross income** for all children listed in STEP 1 in the box marked "Total Child Income."

Child Income is money received from outside your household that is paid directly to your children. Many households do not have any child income. Use the chart below to determine if your household has child income to report. If children do not receive income, enter '0' or leave these boxes empty. If you leave this part blank, it will mean that you have no income to report for any children in the household.

Only count foster children's income if you are applying for them together with the rest of your household. It is optional for the household to list foster children living with them as part of the household.
