

Attention Parents and Students:

The district has formed a Local Wellness Policy Committee and we would like to invite parents and students to be involved.

We will meet at least twice per year, in September and February. The committee would like to plan a district wide health fair next year. This topic will be discussed when we reconvene in September. Please contact me if you are interested in being a part of this committee.

Thank you for your interest. I look forward to hearing from you.

Thank you,

Angie Lovett
