School Supply List:

The following is the condensed list for grades K-2nd and 3rd – 5th. We recognize that in these economic times it may be difficult to purchase all items on a list, especially if you have more than one child attending school. Hassayampa is fortunate to have generous individuals as well as organizations that are willing to purchase extra supplies for students. Please notify your child's teacher or the school counselor, if assistance is needed.
