## **Vulture Peak Middle School Supply List**

The following is the condensed list for grades 6<sup>th</sup>–8<sup>th</sup> grade. We recognize that in these economic times it may be difficult to purchase all items on a list, especially if you have more than one child attending school. Vulture Peak is fortunate to have generous individuals as well as organizations that are willing to purchase extra supplies for students. Please notify your child's first hour teacher or the school counselor, if assistance is needed.

Please keep in mind that backpacks do get heavy and can be hard on the back and shoulders. At Vulture Peak Middle School we think backpacks are OK, but rolling backpacks are COOL!
