## 520 FORM INFORMATION

Dear Parents:

It has come to my attention that at time of your student's enrollment you were not given a 520 form. This is for transfer students/athletes. It is very important to fill out a 520 form along with the WHS Athletic Packet in order for your son/daughter to be considered eligible for their current sport. This form is different than any enrollment form you were given. This is strictly for sports.

Your student will be limited to practice **only** until the AIA receives the completed form from all parties and we have reviewed it. If your student is cleared, they will be able to continue to play. If they are not, then your student may not participate in any games for one year. This form is required for all transfer students in order to determine eligibility to play sports. In other words, the AIA is verifying you are not being recruited or violating any AIA bylaws.

Please fill out the 520 form online at [www.aiaonline.org/520/](http://www.aiaonline.org/520/). Once you are on the website, press begin and then follow the steps and answer each question to the best of your knowledge. After your portion is completed, the form is electronically transmitted to all parties involved.

Please does not delay for it may hinder your son's/daughter's sports eligibility and participation. Once you have completed the form please advise me via email or telephone. Thank you for your assistance in this matter and please do not hesitate to contact me if you have any questions.

Sincerely,

*Casey E. Gipe*
