

Parent and Student Field Trip

Get on the Bus Spring 2015

January 28, 2015

We have planned a day long trip to explore college and career options. Our day will start at 8 am and return by 6 pm. The trip is FREE. Students are welcome to attend if they are accompanied by a parent or guardian. You will get to see a private university, public university, community college and trade school.

8:00 – Leave Wickenburg High School Campus

9:30 -10:30 West-Mec Northeast Campus – Come check out some of the vocational options students at WHS have. They can choose to enroll in these programs while they are in high school or after they graduate. At this facility we will tour the following programs:

- Automotive Collision Technology
- Climate Control Technician
- Medical Assisting
- Pharmacy Technician
- * Automotive Technology
- * General Construction Technology
- * Medical information Systems
- * Veterinary Sciences

10:45-12:00- Travel to Prescott

12:00 – 1:00 - Embry Riddle ROTC presentation

- Come here about ROTC programs and how they might be a great option to help your child fund their university education

1:00 – 2:30 – Embry Riddle University

- It was just named one of the top universities in the country. Come find out why.

3:00- 4:00 – Yavapai Community College

- Yavapai is a great community college option for students as it is cheaper than the Maricopa Community Colleges and has dorms. Find out what programs they offer

4:00 – 4:30 – Northern Arizona University at Yavapai

- Did you know that NAU had a program at Yavapai? Did you know you could pay Yavapai tuition and get an NAU degree?
