Pima Elementary School

Welcome to Pima Elementary School! Whether you are new to Pima Elementary School or a returning family, we are happy that you have joined us. You have made the right choice for your child's education. Pima Schools offers a dedicated and friendly staff that will care for your children and hold them accountable to high expectations. Relationships, hard work and respect are driving principles at Pima Schools. Our students, staff and families work together to create an environment where children are intellectually challenged in ways appropriate to their individual strengths, needs, and experiences. Our goal is to create a learning community that is committed to engaging and challenging every student in every classroom every day.

We believe that parents play a critical role in the success of our students. Parents, you are your child's first and most important teacher. You know your child better than anyone else and we invite you to work in partnership with your child's classroom teacher. You have rich insight into your child's unique needs, talents and interests. Please feel free to share any information that you believe will help us increase your child's success. Teachers, however, have a unique perspective on your child. They will see your child as a member of the class and watch as they interact with peers, face the challenge of new learning, ask questions, and solve problems. Parent and teacher perspectives, working in partnership, are critical to ensure that your child's time at Pima Schools is exciting and rewarding.

This handbook is intended to provide a brief overview of some of the most important opportunities and expectations that anchor our program. Please review this handbook with your child and feel free to call me at (928) 387-8050 if you have any questions about our programs, rules, or district policies.

Thank you,

Mr. Carlton

Principal

Attendance

Regular and consistent school attendance is a **KEY** to student learning in all grades. Consistent attendance is encouraged and rewarded. Students should only miss school when it is **ABSOLUTLEY NECESSARY**.

If a child is absent, parent/guardian are to call our office (928-387-8050) between **7:30am to 9:00am** for reporting absences, **please leave a message if no one is available to answer**. If the office has not received a call to the office by 9:00am, a message will be sent out and efforts will be made to get in contact with the parent/guardian of the child as required by A.R.S. 15-807.

We encourage all parents to have their students at school before the morning **TARDY** bell rings at 7:55 am. Instruction begins in all classes before this bell. Students who are absent from school during 1 1/2– 3 hour block of time it shall be counted absent for a half day. Students absent from school for longer than 3 hours shall be counted as absent for one full day. Students will only be considered tardy only if they arrive at school between the hours of 8:00am to 10:30am.

Students in all grades (K-6) are required to be in attendance at least 90% of the school year to be considered for promotion to the next grade level at the end of the year. Students with absences exceeding 15 days are in jeopardy. According to A.R.S 15-803. B. "A child who is habitually truant or who has excessive absences may be adjudicated an incorrigible child as defined in 8-201. Absences may be considered excessive when the number of absent days exceeds ten percent of the number of required days prescribed in A.R.S. 15-802." The exception to this ruling is serious illness with medical documentation. Parents are requested to schedule medical and dental appointments after school hours except in cases of emergency. Likewise, parents are requested to schedule family vacations during school recess periods. Letters will be sent home once the student has reached 5 absences, 10 absences and 15 absences. **Once a student has reached 5 unexcused absences the school administration will report this to the local law enforcement as well as the county probation department.**

Daily Schedule

|-----------------------------------|----------------|
| Morning Bell/Classes Begin | 7:50 am |
| Tardy Bell | 7:55 am |
| School Dismissed | 2:50 pm |

***Lunch Times TBA**

Homework

Pima Elementary School recognizes the fact that home study is desirable and necessary. Students will be assigned homework as a means of encouraging independent study, establishing good work habits and reinforcing basic subject skills. Homework will be assigned on a regular basis throughout the year. The amount of time a student spends on homework should be about 10 minutes per grade level. For example, third graders should spend about 40 minutes on homework.

Promotion of Students

Promotion of students in kindergarten through sixth grade is based on teacher recommendation. Recommendations for students in kindergarten through third grade are based on student progress toward mastery of essential standards, achievement on assignments, tests, projects and 90% attendance at school.

Promotion for students in fourth through sixth grade is based on mastery of essential standards, achievement of 60% or better in core academic areas and a 90% attendance rate.

ARS 15-521.10 states that every teacher shall make the decision for promotion or retention of students. If a parent disagrees with the decision to retain, the student shall be passed to the next grade with an Academic Improvement Plan in place.

Promotion of student's cont.

However, if the student fails to make progress in that year, he/she shall be retained. At that point, if parents disagree with the decision of the teacher, they may request in writing that the school board review the teacher's decision. The decision of the board then becomes final.

School Hours

Students should not arrive on campus before 7:30 a.m. and are expected to leave the school grounds no later than 10 minutes after dismissal time. Those students who have been requested to remain after school by a teacher or are participating in an after-school supervised activity may remain after school hours, but are expected to leave as soon as the activity is over. Parents are responsible for children when they return after school hours. We encourage parents/guardians to make after school pick up arrangements before the school day. We understand that emergency's come up. Regular school hours are: 7:50 a.m. to 2:50 p.m.

School Nurse

Pima Unified School District provides a full-time school nurse. The nurse provides services to students and school employees who require first-aid attention due to illness or injury occurring while at school or during a school related activity.

Students are **not** allowed to carry prescribed, over the counter medications, or other medicinal like substances on the school campus. Student violation of this policy may result in the seizure of the medication and disciplinary action.

Those students who are required to carry inhalers and Epi-pens per a Physician's Statement and Parent/Guardian Consent are an exception to this ruling. **If your child needs to take prescription or non-prescription medication at school the parent must bring it to the school nurse or office in the original labeled container and a special form must be completed and signed.**

Insurance

The school does not provide accident insurance for students of the district. Parents with children in school are provided with the opportunity to purchase accident insurance through a private insurance company that distributes information to the school. This insurance is relatively inexpensive and provides a number of options. For further information, please call the school at 387-8050.

Students of the Month

All K-6 grade teachers will nominate one student of the month during the school year. The criteria of this recognition will include the following: exceeding teacher expectations, achievement in their academics, attendance and significant effort/improvement in interactions with peers or in academics. Students receiving this award will be recognized in our monthly newsletter and will eat a lunch with the principal from our local restaurant El Mesquite Taqueria.

Rider Pride Tickets

Rider Pride Tickets are external student incentives for the purpose of noticing and encouraging positive, responsible, respectful and safe behavior. All members of the staff can hand out Rider Pride Tickets when they notice positive behavior. Students may use the tickets to purchase items at the Rider Pride Store.

The critical element of this system is not the Rider Pride tickets or the prizes, but rather the positive interaction between the student and the school. Through pairing positive student behavior with positive social interactions with adults, the emphasis can be shifted from tangible to social rewards and external incentives to internal desires.

Toys, Trading Cards and Electronic Devices

The following items should not be brought to school:

- Toys of any kind
- Trading cards of any kind
- Electronic listening devices such as, iPods, CD players, walkie-talkies etc.

These items detract from learning in the classroom and may cause issues or possible fights on the playground. Please support your child and the school by keeping toys at home.

Bicycles

Bicycles are to be placed in the bike rack as soon as the student arrives on campus and are to be left there until school is dismissed. Bikes are to be walked on and off the school grounds. All bicycles should be secured with a lock. Students assume responsibility for their bikes and any damage that may occur.

Breakfast and Lunch Program

A nutritious breakfast and hot lunch are available to all students. Students are welcome to bring a cold lunch and may purchase milk in the cafeteria for 50¢. Lunch prices are TBA.

Families are encouraged to apply for free or reduced rate breakfast/lunch and milk by filling out a free/reduced form that is given to all students on the first day of school. Eligibility for this rate depends upon family income and the number in the household.

Parents and guardians are encouraged to come to the cafeteria and enjoy lunch with their children. We ask only that you call the cafeteria ahead to reserve your tray, an adult meal costs \$3 cafeteria phone #: 928-387-8008

Procedure for missing child on campus

Procedure Statement:

The safety and security of the children at Pima Elementary School are paramount. Every care is taken to ensure that the children are accounted for at all times when in our care. Each time a class reconvenes from various activities (recess, lunch, specials, etc.) the teacher shall check and take attendance of all students assigned to the class. Upon discovering that a child is missing the teacher will notify the school secretary who will then contact the principal and 3 other designated adults.

Designated personnel will meet in the school office where each person will be given a hand held radio and a description of the area that they are in charge of sweeping. All buildings and school grounds within the elementary campus and high school campus will be searched. Overhead announcements at each school will be made in attempt to locate the missing child.

In the event the child is located, notification is to be done immediately to all search personnel and also the secretary who will then inform the teacher. Once the sweeps are done and if the child is not located, 911 will be called along with notifying the parent. Searching for the student will continue until the police arrive. When the police locate the child school personal will immediately notify the parents if they are not on campus.

PARENTS RIGHT-TO-KNOW

In accordance with ESEA Section 1111(h)(6) **PARENTS RIGHT-TO-KNOW**, Pima Elementary School is notifying every parent of a student in a Title I school that you have the right and may request information regarding the professional qualifications of your child's classroom teacher. This information regarding the professional qualifications of your child's classroom teachers including, at a minimum, the following:

1. Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
2. Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived.
3. The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.

If at any time your child has been taught for (4) or more consecutive weeks by a teacher not highly qualified, the school will notify you.

**Student Discipline
PIMA ELEMENTARY DISCIPLINE SYSTEM**

The purpose of the discipline system is to:

- Improve the educational environment for students, teachers, parents and staff.
 - Inform students and parents of rules and policies.
 - Record discipline violations in a systematic way.
- Predetermine disposition for violations, when possible.

Parents and students must be aware of the elementary handbook and procedures concerning acceptable and unacceptable behavior in our school. Progressive discipline is based upon the belief that an individual does not have the right to infringe upon the rights of others. Also, all people concerned with the school have the responsibility of creating a positive environment within the building, on school property, or at any school event.

The vehicle used to implement in grades 3, 4, 5 & 6-discipline system is a point system. A building administrator or designee will assess all points.

Notice of the specific rule violation by the student and an explanation supporting the infraction.

Notice of the date of hearing where removal of more than thirty days from school is involved.

Primary Elementary Students

***Grades K, 1, 2 Plan**

All students are expected to exhibit proper conduct at school, to obey the law, and district/school/classroom rules. Parents are encouraged to review appropriate conduct with their children; parents will be contacted by phone or in writing.

Primary elementary students (kindergarten to second grade) sometimes exhibit behaviors, which may result in formal disciplinary action. Since early elementary learners (K-2) are younger, discipline for K-2 students will be implemented, keeping in mind the age, experience, and ability of the student.

Discipline will be designed to support social and academic maturity. Past incidents of misconduct will be carefully noted. Parents will be contacted by phone or in writing.

The policy applies to the entire academic year, grades K-6, and is to be the behavior code for our students at school and at all school sponsored events.

----- **Intermediate Elementary Students** -----

***Grades 3, 4, 5 & 6 Plans**

Please read over Offense Table located on the next two pages.

Safe schools are our priority. Although very rare in elementary schools, more severe offenses are listed to inform parents and students of dispositions. Students are expected to exhibit proper conduct in all schools, to obey the law, and to obey all school district rules. Violence of any type will not be tolerated.

Violations of an unlawful nature will require involvement of civil authorities. Requires a written report to the parent and an appearance before the Principal or Superintendent. *** Automatic suspension from school, possible a long term/expulsion hearing.

Capturing Kid's Heart Program

Implementing Capturing Kid's Hearts Skills at Pima Elementary School

- The GOAL is to build relationships and grow the group!!!!
- We must always reflect it's not what we teach, but how we teach that is the most important. We do not **teach content, we teach children**. At the very heart of what we are trying to do is a deep level of commitment to young people and an attitude that says,
"I am here for the kids."
It is our job to teach leadership and prepare kids to reach their potential.

"When is this implemented?"

2016-2017 school year!!!

"If you have a child's heart you have his head"

The final portion of the Handbook contains federal, state and district policies.

Child Find Procedures for Parents

All children with disabilities who are in need of special education services have a right to a free, appropriate public education. To accomplish this, Pima Unified School District has established the following procedures for locating and referring children with disabilities:

Availability of Special Education Services:

Pima Unified School District will maintain documentation of the public awareness efforts to inform the public and parents within the district's boundaries, including private and religious schools and the county school superintendent's office regarding homeless and home-schooled children.

Screening and Follow-up Activities:

Screening activities will be implemented for all newly enrolled students and those transferring in without sufficient records. The screening will be completed within 45 calendar days of school entry. This screening will include consideration of academic or cognitive skills, vision, hearing, motor skills, communication, emotional, and adaptive development.

Review, referral, and follow-up will be done on screenings and documented in the child's cumulative file, with back up data on the district's child find screening log. Pima Unified School District will maintain documentation and annually report the number of children with disabilities within each disability category that have been identified, located, and evaluated.

Referral for Special Education Services:

For children and youth enrolled in private or religious schools, Pima Unified School District will consult annually with those schools to determine the number of students identified as eligible for special education and related services regardless to whether they are receiving services.

Children participating in early intervention services who are expected to participate in preschool programs for children with disabilities will be assured a smooth and effective transition, including:

Transition conferences will be arranged for children between the ages of 2 years, 6 months and 2 years, 9 months

By a child's third birthday, an IEP or IFSP will be developed and implemented to ensure a free, appropriate public education

For children who turn 3 years of age during the summer, the IEP team will determine the date for initiation of services including eligibility for extended school year services

Pima Unified School District will refer children aged birth through two years suspected of having a developmental delay to the Arizona Early Intervention Program (AzEIP) to determine eligibility for early services, using the Child Find Tracking Form to ensure follow up within 30 calendar days of initial referral.

Annual Notification to Parents Regarding Confidentiality of Student Education Records

The Family Educational Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of student education records. FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

Parents or eligible students have the right to inspect and review the student's education records maintained by the school within 45 days of a request made to the school administrator. Schools are not required to provide copies of records unless it is impossible for parents or eligible students to review the records without copies. Schools may charge a fee for copies.

Parents or eligible students have the right to request in writing that a school correct records that they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.

Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions:

School officials with legitimate educational interest.

A school official is a person employed or contracted by a school to serve as an administrator, supervisor, teacher, or staff member (including health staff, law enforcement personnel, attorney, auditor, or other similar roles); a person serving on the school board; or a parent or student serving on an official committee or assisting another school official in performing his or her tasks;

A legitimate educational interest means the review of records is necessary to fulfill a professional responsibility for the school;

- Other schools to which a student is seeking to enroll;
- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and
- State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, sports participation (including height and weight of athletes) and dates of attendance unless notified by the parents or eligible student that the school is not to disclose the information without consent.

Student Planner

“IF I PLAN TO LEARN, I MUST LEARN TO PLAN”

The staff of Pima Unified School District is pleased to provide a daily/functional ‘Student Planner’ to 3rd grade and up. Your student will receive this from his/her homeroom teacher.

Students are expected to have it with them at school each day and during each class period. (Your child will input Scores/data: into the Student Planner for ‘Reading and Math’) Consistent use of it, with encouragement from you/teacher/school, will help ensure greater success in school this year.

The purpose of the student planner is three-fold:
It is an organizational tool for your child.

1. The order of learning (*two-page document*) is in sequential order from August thru May. (For ex: Weekly/bi-weekly formatives, and the benchmark.)
2. It is a home to school and/or school to home communication tool regarding weekly learning (formatives), assignments, due dates, periodical required parent signatures. Great document for parent-teacher communication and in depth conversations about student progress.
3. It is to increase accountability for your child’s schoolwork and develop lifelong first-rate organizational skills. Parents/guardians copy of the two-page document in an ideal location (For instance: refrigerator).

We ask that you do the following three things:

1. Review the main feature of the student planner with your child, which is a **two-page document** (1 page Reading/1 page Math that paints the picture about the expectations/essentials per grade level for the year). **Side note:** In addition parents/guardians will receive this **two-page document** from the classroom teacher or request this beneficial grade level document from the office during ANYTIME of the school year. As a parent/guardian you are encouraged to track your child’s progress/data by examining your child’s ‘Student Planner’ on a weekly basis. At home you will now have the opportunity to display
2. The student planner will also be used to communicate with teachers. Each page of the assignment calendar provides space for parent and teacher comments. Daily objectives written in grades 3rd-6th by the student, homework and study assignments are to be written in the appropriate spaces each day. Parents/guardians ask your child open-ended questions about the daily objectives, to encourage new learning that occurred per day
3. Please let us know that you have reviewed the ‘Student Planner’ and ‘Handbook’ with your child by signing at the bottom of this page.

Thank you,
