PARENTAL APPROVAL: I have read and discussed the conditions of this program with my child and approve of their participation in Pima High School Summer School. I am aware that courses taken in the Pima High School Summer School program will be reflected on the official transcript and that the grades must be reported to other schools for which I apply in the future.

I understand the following:
- I may be held accountable for my child's actions, should his/her actions violate Pima High School policies and procedures.
- I may be held accountable for the rules regarding enrollment fees, deadlines, and refunds.
- I am responsible for paying for the courses that my child signs up for and does not drop prior to the refund deadline **even if my child never attends the class.**
- Grades assigned for each course become a part of a student's official academic record.
