A Note from the Nurse

Please encourage your child to drink water. Staying hydrated helps prevent heat related trips to the health office.

We need your help. Any and all donations of shorts or pants for children would be greatly appreciated.

Parent portal information will be sent home this week. This information can be used to access your child's current grades and attendance. If you have any questions about how it works please feel free to contact the office.

Yuma School District #1 is starting a new customer service program. The S.M.I.L.E. program is designed to gather feedback from students, parents, teachers and community members. Our district goal is to provide the best possible experience for all of our stakeholders.

Thank you to all the families that attended the Family S.T.E.M. Night. It was huge success!

The students and staff will be participating in a practice lock down for an intruder on campus. The school resource officers will be evaluating our procedures and providing feedback about any improvements that can be made to our plan. Please discuss this drill with your child. We want students to be prepared for the drill and know what is expected of them. Thank you for your assistance.

Important Reminders

- Please be sure to schedule a conference with your child's teacher. You will receive the report card at the conference. Afternoon 21st Century classes will not meet during conferences. They will resume on Oct. 17th.
- Please make sure that you contact the office by 2:30 p.m. if you need to change dismissal plans for your child.
- Parents are always welcome to accompany their child to class in the morning. Only Rolle students are allowed to play on the equipment. Parents that are visiting for lunch please send your students out to the playground for recess. Visitors are not permitted on the playground during the school day.
