CHRISTMAS VACATION

Christmas Break will start as a half day on Friday, December 16th.

Lake View students will be released at 12:30 PM. Busses will run as normal, starting at that time.

The holiday break will continue through Monday, January 2nd, 2017.

Students are due back to school on January 3rd.

Happy Holidays

From Lake View

Teachers & Staff!

Letter from the Principal

Dear Parent and Guardians,

Happy Holiday Season!!! This time of year is very stressful for many of our students. Please be in a giving and supportive mindset. You will be asked to support school fundraising efforts, book collection by site council, and many school events and celebrations. Select an area you as a family can contribute to and support that. We must all come together to be successful!!

The site council has taken reading as its main goal this year. They are doing a book drive in several locations around town. If you can contribute books, please

place them in boxes at Desert View, Lake View, Walmart, and Safeway. Books will be leveled by grade and then given to teachers for check out of classrooms. We want books in the hands of students. No fines or fees connected to the books. We will plan some reading events for this school year also.

Be prepared over the Holidays to continue the learning of your students at home. Provide time each day for students to practice reading sight words, books, signs on the road while traveling. Practice math skills at the grocery store, gas station, or use mental math. Get your kids to talk to you about things

that are important to them or have high interest in. Visit the Page Library, Museums, or places they can expand their learning experiences.

Best Wishes
Cathy Erickson
LVP Principal

AFTER SCHOOL CHANGES

All after school changes or alternate arrangements for your child's after school routine must be made before 2:00 PM each day, 11:30 PM on half days.

Students are not able to be checked out, without prior arrangements, between 2:45 and 3:00 PM.

You may send a note with your student or contact us at 928-608-4200.

SCHOOL STORE

Our school is participating in the SchoolStore program this year. This online program helps our school earn cash without students selling door-to-door, collecting money or delivering products. Over 400 merchants, including Sears, Target and WalMart.com, have joined together to offer up to 50% of sales to our school for shopping through SchoolStore.com.

To shop and support our school, simply go to www.schoolstore.com and select our school.

In January our school will participate in the SchoolStore Email Campaign. Your participation is the key to a successful program for our school. Your child will come home with a parent letter requesting you to help them enter email addresses to friends and family. For just entering 3 email addresses, your child can choose a prize. Thank you for your families support of our school.

~School to home Connection~
Parents this is the season to take time and talk with your children. Find out what they are doing in school. Ask open ended questions that will give you insight into their little lives outside of home. Many times this creates an open conversation where you can find out what is going on at school and how your child is doing. Ask them this: "What was your favorite part of today?" Listen to their answer and go from there! Have a happy

AFTER SCHOOL PROGRAM

The After School Program will be running for the first half of December.

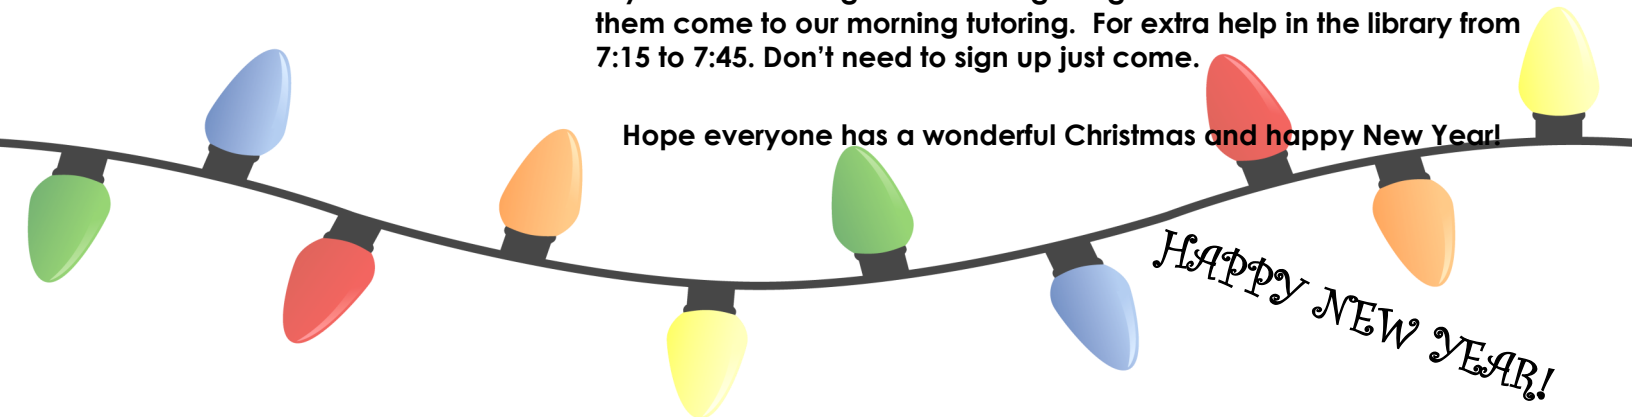

There will be NO AFTERSCHOOL PROGRAM from 12/16/16 to 1/6/17. We will resume on 1/9/17.

December 13th from 5:30 to 7:30 pm we will be having a Christmas craft night. Bring your family friends to have a fun relaxing night making fun crafts for Christmas. Cookies and hot coco will be served.

Is your child having a hard time getting homework done? Have them come to our morning tutoring. For extra help in the library from 7:15 to 7:45. Don't need to sign up just come.

Hope everyone has a wonderful Christmas and happy New Year!

HAPPY NEW YEAR!

FROM OUR NURSE

Influenza (the flu) is a contagious respiratory illness caused by influenza viruses. Flu tends to occur mostly in the fall and winter months in the United States. The flu usually comes on suddenly.

People who have the flu often feel some or all of these symptoms:

Fever or feeling feverish/chills (*not everyone with flu will have a fever*)

Cough

Sore throat

Runny or stuffy nose

Muscle or body aches

Headaches

Fatigue (tiredness)

Some children may have vomiting and diarrhea.

Preventing the Flu

Vaccination is the cornerstone of flu prevention.

Good Hygiene Habits help control the spread of the flu virus.

Cover your coughs and sneezes with a tissue. If a tissue is not available, cover with the inside of your elbow.

Wash your hands often with soap and water, especially after you cough or sneeze. If soap and water are not available, use an alcohol-based hand sanitizer.

Avoid touching your eyes, nose and mouth- germs spread this way.

Clean and disinfect surfaces or objects. Clean and disinfect frequently touched surfaces at home, especially when someone is ill.

Encourage healthy habits: eating healthy foods, getting enough sleep, and getting exercise.

Stay home when you are sick. You will help prevent others from catching the illness. Also, avoid close contact with people who are sick. We ask that students be kept home for at least 24 hours after their fever is gone. Their fever should be gone without the use of a fever-reducing medicine, such as Tylenol®.

LVP Nurse Office is in High Need for K, 1st and 2nd grade boys bottoms.

Donated clothing is kept in the Nurse Office and are used as backup clothing.

All clothing donations are welcomed and greatly appreciated.
