

Letter from the Principal

Lake View Primary school is here to help students learn and meet the AZ. Career and College Readiness Standards, to learn how to become good citizens, and to develop good relationships that will stay with you and your child through their school career in Page.

On Sept. 6, 2016 we will start the reteach/enrich groups for Reading and Math two times a day. First, reading at **10:25 to 10:55 AM**. Then, we do Math at **2:15 to 2:45PM**. Do not distract from this focused learning time by checking students out of school. This time is focused on specific small group learning skills to support student who need extra time, and the students who already have skills to have project based learning.

You are invited to attend a meeting for Parent Teacher Organization on September 7, 2016 at 3:30PM. The group will support student council fund raisers, develop plans and arrangements for celebrations like

100% club. Events that are school wide will be planned such as the Halloween parade, grandparent's day, and other special events. Your representation is needed to support our school and students. Thank you in advance for supporting our students!

I need support for the Lake View Site Council. In three years, I have only had 3 parents participate in the Site Council. It takes a quorum of parents and staff to make decisions for our school. Please consider being part of this important group. You would help in planning for the District Strategic Plan, and our site based Continuous Improvement Planning. September 21, at 4:00 pm at the Lake View Library.

WEDNESDAYS LATE START AT 9:30 AM

NO SCHOOL	9/2 & 9/5
Parent Teacher Organization (PTO) Meeting	9/7 3:30 PM in Library
Site Council	9/21 4:30 PM in Library
Dads & Doughnuts	9/23 7:30 AM in Cafe
Parent Night	9/20 5:00-7:00 PM

Building Access & Hours

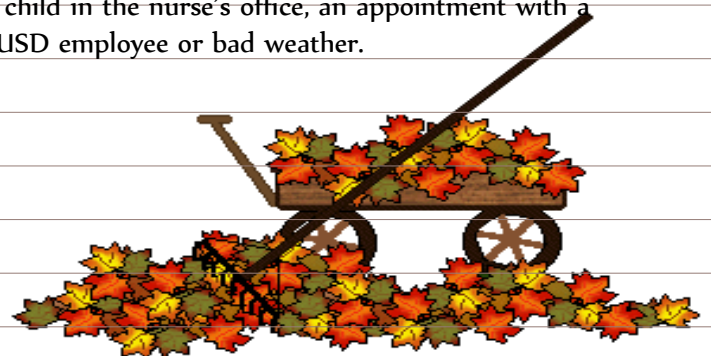

7:30 AM—4:00 PM
Mon/Tue/Thu/Fri

9:00 AM—4:00 PM
Wednesday

Students cannot be checked out after 2:45 PM

There will be NO ADMITTANCE into the building between 2:45 & 3:15. Exceptions include a child in the nurse's office, an appointment with a PUSD employee or bad weather.

If you have not yet paid your child's Activity Fee please come in to the main office.
Fee: \$5.00
This money goes towards your child's field trips

Student Pick Up Procedures

As a parent/guardian of a student designated as a Pick Up you will receive 3 fluorescent yellow cards with matching identification information (no personal information!). As the parent/guardian you are able to give these cards to those you would like to pick up your student at their pick up location. That card will need to be presented to the staff on duty, who will verify the information and release your child to you. Your student will not be released unless the correct card is presented. In the event that you, or someone you have asked to pick up your student, does not have a card, a visit to the main office is required in order to verify identity and check out your child.

Bad Weather Pick-Up Arrangements

As fall and winter approach, weather is starting to cool off, bringing rain and will eventually bring snow. To keep our students and teachers dry and warm, we have designated pick-up areas inside the school building.

KINDER	1ST GRADE	2ND GRADE
Good Weather Pick-Up <ul style="list-style-type: none"> • North side of School on 20th Ave 	Good Weather Pick-Up <ul style="list-style-type: none"> • East side of School on Grandview 	Good Weather Pick-Up <ul style="list-style-type: none"> • East side of School on Grandview
Bad Weather Pick-Up (Raining/Snowing) <ul style="list-style-type: none"> • In your child's classroom 	Bad Weather Pick-Up (Raining/Snowing) <ul style="list-style-type: none"> • In your child's classroom 	Bad Weather Pick-Up (Raining/Snowing) <ul style="list-style-type: none"> • In your child's classroom

Student Accident & Sickness Coverage

The safety of our students is our number one concern. Even so, accidents do happen and resulting medical treatment can be very expensive. Please know that the District **does not assume responsibility for these costs.** However, as a service to you and your child, your school has joined with 1,000s of others by offering you access to a low cost, voluntary purchase student accident/sickness insurance program. The program is arranged and administered by Myers-Stevens & Toohey & Co.,

Inc. a firm that has specialized in such overages for 40 years. Details and an enrollment form has been sent home with your child.

Several plans are offered and rates for the entire school year start at around \$55. You can limit coverage to school related injuries only (including sports) or opt for 24/7 protection. Also offered are a Student Accident & Sickness Plan (recommended if your child has

no other health insurance) and a pharmacy discount program for your entire family. Whether your child currently has no other coverage or you want to "fill in the gaps" in other insurance, you will probably find an option to fit your needs.

Please call Myers-Stevens & Toohey at (800) 827-4695. or visit them at www.myers-stevens.com

Positive Behavior Interventions and Supports (PBIS)

PBIS (Positive Behavioral Interventions and Supports) is an approach to teaching and supporting positive behaviors and meeting the needs of ALL students. This school-wide approach to discipline focuses on building a safe and positive environment in which all students can learn.

Lake View Primary building-wide expectations are:

Positive
Respectful
Involved
Determined
Excellent

Throughout the school year, students will be taught how to behave according to the five expectations. Teachers will help students learn what the expectations “look” and “sound” like in every setting during the school day. These lessons will

be re-taught and reinforced throughout the school year, and become a regular part of our instructional program. This impacts the students positively because they understand how to be successful in all areas through the use of our behavior matrix and common behavior expectations from faculty. Students are rewarded frequently with eagle feather tickets.

To be successful, our behavior program needs to be a partnership between home and school.

From the Dean

Parents this time in your child’s life is a fun and exciting time. We here at Lake View have a number of opportunities for exploring centers, using manipulative and educational toys within the classroom. Students have breaks as well as recess. We are seeing a LOT of toys coming to school, everything from Matchbox cars, transformers, dolls and Pokémon cards. This causes distractions as well as interrupts the learning process in your child’s class-

room. Toys can get lost, stolen or broken and we cannot replace them. As stated in the parent handbook **TOYS ARE NOT ALLOWED AT SCHOOL** (page 18 in family handbook): this does include electronic devices. IF your child chooses to bring a toy or electronic device, it will be confiscated by the teacher or the dean of students. It is your child’s responsibility to tell you about losing the item. Remind your child to keep items home. This is in their best interest!

21st Century After School Program

Lake View Primary’s 21st Century Community Learning Centers After-School Program has started! This program runs
Mon—Thursday
3:00—4:15 PM

Students Pay Heavy Price for Days Off

When we hear about students regularly being absent from school, a vision of a teen skipping to go have fun with friends probably pops to mind. Think Ferris Bueller and his magnificent “Day Off”. But the reality of absenteeism in Arizona schools does not include ballgames and hot tubs. The reasons for missing significant time in school can be as simple as asthma, lack of dental care, unstable housing, unreliable transportation, and more tragically, neighborhood violence. And it’s not just for teenagers. Research shows that in the early grades, chronic absenteeism is a key factor in children not reading at grade level.

What is Chronic Absenteeism?

Chronic absenteeism is defined as missing at least 15 days in a school year. Nearly 13 percent of all U.S. students, more than 6 million, missed that many days in the 2013-14 school year, according to data released this month by the U.S. Department of Education. Just having those numbers is a big deal. Many schools don’t keep track of chronic absenteeism, and many states only focus on truancy or unexcused absences rather than the proportion of time a child is missing, related to actual learning.

But the new Education Department study finally sheds light on this often overlooked school problem, that has a huge impact on student achievement. Take, for instance, the month before a student takes the National Assessment of Educational Progress, or NAEP test. If a student misses just three or more days in that month, they score between 12 and 18 points lower than students without absences.

But we all know that three days is a low number. Attendance Works estimates that 5 million to 7.5 million U.S. students miss nearly a month of school each year. Studies show, that leads to poor achievement, lower graduation rates, and social-emotional factors like grit and perseverance. Just think of how that must affect students who aren’t absent. Their teacher must somehow figure out how to get all students caught up, affecting the overall productivity of the class.

Thanks to the [Department of Education study](#), we now know that 1 in 8 students are chronically absent. The American Indian population showed the highest percentage, and students with poor English skills are 22% more likely to miss 15 days than those who are English speakers. That means Arizona is in the crosshairs of this absenteeism epidemic.

What can be done?

We at Stand for Children Arizona believe you cannot tackle our achievement failures without a strong focus on chronic absenteeism. Schools first need to keep better records. And then we must implement early warning and response systems. This will be a focus of our team, as we look for ways to improve achievement for all students in Arizona. We would love for you to join us in that effort. Just click below to become a member of our #EdSquad, to get regular updates on what we’re working on. With your help, we will make a difference.

Rebecca Gau

Stand for Children Arizona Executive Dir.

Please make sure to complete the registration update packet your child brought home, listing any changes in phone numbers and other updated information that you may have. It is important for us to have this information in case of any emergencies. Please contact the main office at 928-608-4200

Nurse's Corner!

Students with fevers over 100.0 and not feeling well will be sent home. Do not send your child to school if you know they are sick.

If your child is currently on medication please come in and see our nurse in order to fill out paperwork in order for her to administer the medication.

Please send an extra set of clothes with your student for possible restroom accidents or other fluids/grime that may get on clothes.

If you have not turned in your child's immunization records please do so as soon as possible. All students must have immunization paperwork while attending school.

Perfect Attendance!

The below students have perfect attendance for the month of August.

Aaliyah Spencer	Blaik Lotze	Darnell King	Gavin Gishie
Aaron Young	Bradley Luster	Davis Fowler	Haley Day
Abraham Ruffell	Brookelynn Keith	DeMarius Morris	Hayden Tsinnijinnie
Adrian Shorty	Bryce Griswold	Derrick Yazzie	Hersilya Yazzie
Ainsley Kerr	Brynn Wright-Smith	Derwin Hulligan	Hunter Heatwole
Aleese Bradford	Caleb Tsinnijinnie	Draden Pahi	Hunter Horrocks
Alexis Begay	Cameron Tadytin	Drake Pahi	Hyrale Cooke
Andie Tkalcevic	Cameron Whitehorse	Dylan Burgess	Isaac Romero
Andrea Reed	Camren Deal	Ean Beatty	Jacoby Harris
Anthony Willie	Camryn Benale	Edmund Yellow	Jacy Watson
