Page Middle School
November 2014

Message from Administration:

Last month we had a focus at the middle school around bully prevention and substance abuse.

Our half day on October 9th, during the week of parent/teacher conferences was devoted to bully prevention. Student Council gave a presentation to classmates and teachers taught lessons to further the instruction and discussion.

Our SADD (Students Against Destructive Decisions) Club promoted Red Ribbon Week during October 27th through the 31st. The Red Ribbon Campaign provides substance abuse awareness. It educates youth and encourages participation in drug prevention activities.

Christy Rodriguez, Principal

Middle School Facebook Page

We are working on developing our Middle School Facebook page. The Middle School Site council discussed using new ways to be able to reach out to students and families and since our world has become increasingly more social media conscious they suggested we use Facebook. We will let you know when it is up and running so that students and parents can become a “friend” on Facebook.

Native American Heritage Month

November is American Indian & Alaska Native Heritage Month. Heritage Month is a time to celebrate the rich and diverse cultures, traditions, and histories and to acknowledge the important contributions of Native people. Every Wednesday will be a cultural dress up day so please ensure your student wears cultural clothes every Wednesday.

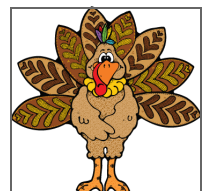

NO SCHOOL

There will be no school on November 10th and 11th to observe Veteran’s Day.

Thanksgiving Break

There will be no school on November 26th—30th for this year’s Thanksgiving Break. Have a safe holiday.

Sports

Winter sports are having their tryouts starting 11/3. Remember students must have a clearance card turned in to participate in tryouts.
