

Pick your Activity!

YOU HAVE MANY CHOICES

To claim the tax credit, taxpayers must contribute to an extracurricular activity for which the school district requires a fee. Available activities vary by school site. Please contact the specific school for the activities at that location.

Tax Credit Program

Private Education in a Public School Setting

Here's your chance to make an important contribution to education at our schools and receive an income tax credit for the full amount you contribute up to \$200 for single or head of household; up to \$400 per married couple

A CHANCE TO MAKE A DIFFERENCE IN EDUCATION!

Phone: 602.477.8900

Count Me In!

HERE'S YOUR CHANCE - Arizona tax law (ARS 43-1089.01) allows taxpayers a tax credit* of up to \$200 for single or head of household; up to \$400 per married couple if they contribute to extracurricular activities in public schools. Extracurricular activities such as sports, band, speech and debate, or overnight field trips are generally not fully funded by school districts. These programs depend on fees from students.

YOU NEED NOT BE PRESENT TO WIN!

The tax credit is available to all State of Arizona taxpayers, regardless of whether they have children in school. Contributions from businesses are always welcome; however such contributions cannot be used to obtain a tax credit.

IT'S YOUR CHOICE

You may donate less than \$200 and be eligible to receive the state tax credit in the amount of your donation. The amount you donate — up to \$200 for single or head of household; up to \$400 per married couple — will be the amount you may claim as a state tax credit. For example, if you donate \$50, your state tax credit would be \$50.

You may split your donation among more than one public school or more than one activity, but will still qualify for a maximum state tax credit of \$200 for single or head of household; up to \$400 per married couple. Just send your check, along with the Response Card, to the school(s) of your choice. A receipt will be mailed to you.

*KNOW THE DIFFERENCE

Contributions to public schools have always been tax deductible. A tax deduction allows you to subtract the amount of a contribution from the amount of your taxable income. The new law allows a tax credit, which is subtracted from the amount of taxes you owe. A tax credit is a full refund of your money.

A CONTRIBUTION GETS THE MONEY WHERE IT NEEDS TO GO

Contributions that are eligible for a tax credit are donated directly to schools, not to the state and not even to the school district. The funds are not subject to the revenue control limit that prevents schools from spending more than a fixed amount for programs. Your donation will go exactly where you want it to — immediately helping more students become involved in fun, meaningful, life-enhancing activities.

It's This Easy!

Using the response card on the right, you'll have lots of ways to say "Yes!" in support of our schools. Here's how it works:

- Write the dollar amount that you want to contribute.
- Indicate the school you would like to support (see school listings on back of brochure). Make check payable to that school.
- Check the box of an activity category you want to fund. If you'd like to support all activities at a school just check **the** "any extracurricular activity" box.
- Fill in your name, address and phone number..
- Drop off the form and your check at your local school and pick up your receipt. If you prefer to mail it to the school, we'll return your receipt in **the** same fashion. (Must be postmarked by December 31, 2015, no later than April 15, 2016)
- You can also visit our website www.resdonline.org – Parent Resources – School Tax Credits to make your contribution on line.
