Mission Statement: The Aesthetics Program is designed for the student to acquire a broad knowledge of the science and art of skin care. The program will help you prepare for a rewarding career in the Aesthetics field, through theory and practical work. Students successfully completing the two-year 600-hour program will be prepared to sit for the state licensing exam. Upon receiving state licensure, some of the career opportunities available to you may include medical aesthetician, spa esthetician, and makeup artist.

Presentation: Program standards will be delivered through classroom theory, practical application, projects (group or individual), role playing, student/teacher interaction, field trips, and guest speakers.

Textbook: Milady Standard Fundamentals Esthetics Edition 11, Milady Standard Student Workbook.

Curriculum Topics:

- Professional Image

Grading: Based on Theory and Practical work.

Theory Tests: 40%

Practical/Evaluations: 40%

Uniform/Participation: 20%

Attendance/Time Clock: Students are responsible to use the time clock correctly, no one may clock in or out for you. Please refer to Aesthetics Program Handbook for more detailed explanation. Credit hours applied according to the time clock.

Classroom Rules and Conduct: Respect is a key to success, show respect to CAVIT staff and all students in the program. Arrive to class on time. Be prepared with the necessary materials. Be dressed for your program. Be attentive, and show care and consideration for school property. Violations may lead to students completing extra written assignments.

Uniform Policy: Each student will have a uniform shirt (provided) which is required to be worn daily to CAVIT. Students must provide black slacks with belt loops (neither jean material nor embellishment,) black plain leather belt, and black closed-toe laced shoes with non-skid sole. Hair and make-up are to be done before clocking in.
