

THE JOURNEY BEGINS HERE!

It's an exciting time to be you!

You have a few years left in high school to explore your potential and determine the course you want to take in life. On your trek to an amazing career, you'll find there are a lot of different paths – and now's the time to map out your goals.

The important thing is that you reach the destination you choose!

CAVIT TREK

LET'S GET GOING!

Choosing which direction to take for your future can seem tough, but you have a lot of support along the way. Your parents/guardians, teachers, and school guidance counselors want to help you succeed – not to mention all of us here at CAVIT! We've all been where you are today, so talk with us about your options and get some directions for the road.

Whatever path you take to make your dreams a reality, you can start the journey right now!

WHERE DO YOU WANT TO GO?

CAVIT TREK

ⓧ PLAN AHEAD!

Right now you might not know whether you're headed for a career or college when you graduate high school... and that's okay!

We serve students from all walks of life:

- AP, IB, athletes, band, charter, online, home school, graduates up to the age of 21, etc.

At CAVIT, we work with your counselors to keep all your options open. To be accepted into a CAVIT program, you'll need to be on track with the following:

- Maintain good attendance
- Meet testing requirements
- Be current on high school credits for graduation

ⓧ

PATH

ⓧ EXPLORE YOUR OPTIONS!

This year, you'll be able to apply for a CAVIT program that fits your future career goals.

EXPLORE CAVIT:

- Attend a November school presentation hosted by CAVIT and choose two possible programs.
- Visit a CAVIT Showcase in January and decide which program is right for you!
- Participate in a February Letter of Intent Night and complete your enrollment process.

ⓧ YOUR CAREER TREK CAN BEGIN NOW!

At a place like CAVIT, you can get a head start because while you're working towards an industry certification in one of our cool training programs, you can also earn high school or even college credit.

Yes, that's right - you can start earning free college credit at CAVIT. And you won't have to take extra courses. You just get college credit for the work you'll already be doing.
