

Joseph City Unified School District ensures that homeless children and youths enroll in, and have a full and equal opportunity to succeed in our District. *The law requires that homeless students be enrolled immediately.* Schools cannot refuse to enroll a homeless student for lack of records (e.g., school records, transcript, IEP, MET, birth certificate or immunization records) or proof of a home address. School personnel are to enroll and have students attend school while records are requested.

All educational services will be available for all of our students:

- English acquisition Services/ELL (if eligible)
- Migrant
- Counseling
- Head Start
- Preschool
- Special Education (if eligible)

If there is a question about a student's living situation, school personnel are encouraged to contact JCSD's Homeless Education Liaison, Robert Klein, at (928) 287-3307 Ext. 338
