Message from the Principal:

Dear Parents,

The Oklahoma Education Oversight Board/Office of Accountability challenges all schools to a 70% Performance Benchmark. This means that at least 70% of a school's *Regular Education-Full Academic Year* students score Proficient or Advanced in each subject area of the Oklahoma Core Curriculum Test. Whitebead met this challenge in every grade 3-8 with the exception of 3rd and 8th grade math and 5th grade science and writing for the 2013-14 School Year. An additional "Feather in our cap" is the fact that 100 percent of the students taking the 2013-14 End of Instruction test in Algebra I passed their test.

I have enjoyed communicating with all of you this school year and want to thank you for the continued support you give Whitebead School. I look forward to the 2015-16 school year and firmly believe that the best is yet to come.

Sincerely,

Mary E. Smith, Principal
