FEBRUARY 5 & 6 2020
NAU NORTH VALLEY CAMPUS

Please join us in our new conference location! We made the change based on your feedback from prior conferences. This location gives us room to offer more sessions and an expanded range of topics.

With access to a computer lab, we'll offer hands-on sessions for the first time!

Full Conference Fee: \$125/person includes breakfast and lunch each day. An optional (free) evening reception (appetizers, BINGO!) will be held off-site but nearby. Details to follow.

A room block for out of town attendees will be announced shortly.

Single Day Conference Fee (select topics only): \$75/person includes breakfast and lunch.

Registration link, session descriptions, and a conference schedule will be posted shortly on our website:
