Fax: 360-264-3438

Register today to receive up to the minute updates on what's going on with the Tenino Schools. It's easy to sign up and it's free to you. You can receive messages via text or e-mail. If you signed up last year you need to update and validate your accounts.

The FlashAlert® system gives you access to emergency messages, such as breaking news or weather closure information, and news releases from participating organizations. Each member organization has a web page where you can view their information and monitor changes (the page auto-refreshes every half hour and can alert you if it finds new info) and the RSS version of the page that many web browsers, RSS reader programs and even Outlook can monitor and pull in new information.

You can receive the information as emails, cell phone text messages or via the free service **Twitter**. There is **NO COST** to the public for viewing the information or subscribing to messages.
