District Spelling Bee

Congratulations Gael Martinez, for getting 1st place in the school Spelling Bee! 2nd place winner was Ximena Gocobachi.

The **7th Grade Club** will be selling St. Patrick's Day Grams for \$1 coming up in March!

Principal's Corner:

In January we focused on Galileo practice tests in ELA and Math to help prepare our students for the AzMerit assessments. We focused on Informational Text, Reading Literature, and Conventions. In Math we focused on Number System, Expressions and Equations and Geometry. Our goal is to use this data to help guide our instruction during the school day and during After School Tutoring. These practice tests are set up based on what percent of each concept will appear on the AzMerit test. We get this information from AZMerit Blueprints. This month, we will be focusing on Math and we would love to see parents here on Thursday, February 18 for our **Math Parent Night**. We will be sharing strategies to help support your child at home.

Have an AWESOME month!
Dr. Soltero
