PRINCIPAL’S CORNER:

Title 1 Strategies:

- All students will be afforded the opportunity to attend tutoring and/or extended time classes to give them more opportunities to master standards.
- All teachers will be trained in ELL strategies and will receive professional development training in research-based strategies for academic excellence.
- Parents and the community will be kept informed of school programs, invited to participate in committees and student support groups, and will be welcomed into the school community.

Estrategias de Title 1

- A todos los estudiantes se les dará la oportunidad de asistir a asesoría y/o clases con horario extendido para que puedan alcanzar los estándares requeridos.
- Todos los maestros estarán entrenados en estrategias del programa ELL para ayudar a estudiantes que estén aprendiendo inglés y recibirán entrenamientos en desarrollo profesional basados en estudios de investigación que funcionan con los estudiantes.
- Tanto padres de familia como la comunidad seguirá estando informada sobre los programas escolares, se les seguirá invitando a participar en comités y grupos de ayuda para los estudiantes y serán bienvenidos a nuestra comunidad escolar.
