Fill in the parent information required. Select a username for your account and create a password. This information should be different from what was used previously to sign in to PowerSchool.

Enter your child's name exactly as it appears on PowerSchool. Enter the old access code and password.

You may add additional students by following these steps. Remember, you must enter the student's name exactly as it appears on PowerSchool and you must have the old access codes and passwords.

From this point on you will use your new username and password to access your child's grades.

If you are still having issues logging into PowerSchool, please contact your child's counselor at (520) 377 – 2021. Thank you.
