

A Parent's Right To Know

As a parent of a student at a Tolleson Union High School District school, you have the right to know the professional qualifications of the classroom teachers who instruct your child. Federal law allows you to ask for certain information about your child's classroom teachers and requires us to give you this information in a timely manner. Specifically, you have the right to ask for the following information about each of your student's classroom teachers:

- Whether the Arizona Department of Education has licensed or qualified the teacher for the grades and subjects her or she teaches.
- Whether the Arizona Department of Education has decided that the teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances.
- The teacher's college major, whether the teacher has any advanced degrees and, if so, the subject of the degrees.
- Whether any teachers' aide or similar paraprofessionals provide services to your child and, if they do, their qualifications.

If you would like to receive any of this information, please contact Mr. Michael Stewart, Director of Human Resources, at (623) 478-4007.
