

Summer Programs 2016

Duke University, Summer Youth Programs

Duke Youth Programs is a part of Duke University Continuing Studies and has provided summer academic enrichment for academically motivated youth for over 30 years. Each summer approximately 650 youth from around the nation and world, representing some 22 states and 5 different countries, attend one of our summer programs.

Our camps open for registration on December 1st! We offer 13 different programs for students from grades 6-11. All programs seek to engage learners in innovative, interactive, transformative learning experiences. Co-curricular social and recreational activities are carefully planned and delivered to complement the instructional day. The camp “learning community” approaches learning as a shared responsibility among students, instructors, and counselors.
