

IMPORTANT REMINDERS

This directory lists physicians, hospitals and other health care providers who have contracted with Blue Cross Blue Shield of Arizona (BCBSAZ) as Preferred (PPO) providers. Since individual providers and/or BCBSAZ may elect to terminate the PPO agreement at any time, the status of providers is subject to change. In order to avoid increased cost-sharing of your medical expenses by using a non-PPO provider, always confirm the provider's status prior to your visit. You can contact the provider directly or visit our website at azblue.com.

ON-LINE DIRECTORY

A listing of BCBSAZ providers is available on the Internet at azblue.com. Click on "Search the Provider Directory". This listing is updated daily with the most current provider information.

DISCLAIMER OF LIABILITY

Blue Cross Blue Shield of Arizona (BCBSAZ) published this provider directory as a reference source for its members. At the time of printing, BCBSAZ attempted to include the name, address and telephone number of providers who are contracted with BCBSAZ. To the best of BCBSAZ's knowledge, the information is/was accurate. The providers listed in this directory are independent contractors and not employees, agents, partners or representatives of BCBSAZ. These independent providers have an agreement with BCBSAZ concerning reimbursement and administrative policies. Each provider exercises independent medical judgment with regard to care and treatment provided to each member. BCBSAZ makes benefit determinations, not medical decisions. BCBSAZ does not interfere with the doctor-patient relationship.

BCBSAZ is not representing or warranting to its members the degree of skill, the quality of care, or the type of health care services which may be provided by the providers listed in this directory. In no event shall BCBSAZ be liable to any member or any other individual who may be covered under a member contract for any decision made, action taken, misdiagnosis, or medical malpractice which may occur as a result of treatment provided by any independent contractor in the directory. BCBSAZ has no control over any diagnosis, treatment, care or other services rendered by any provider, and disclaims all liability for any loss or injury to its members or any other individual caused by any provider by reason of negligence, failure to provide treatment or alleged medical malpractice.

For information on how BCBSAZ reimburses providers, please read your benefit plan booklet and, if you are insured under a group contract, please read the group disclosure provided through your employer.

Please note: The list of providers is subject to change at any time, without notice, because either the providers or BCBSAZ may elect to terminate the Participation Agreement.

Key to footnotes:

A "●" next to a provider's name indicates the provider has fulfilled additional training requirements and received certification from the appropriate American or Canadian board.

A "†" next to a providers name indicates that the provider is not accepting new patients.

A "►" next to a providers name indicates that the provider speaks Spanish.
