Jesus Christ, the incarnation of
God's mercy, out of love for us,
died on the cross,
and out of love he rose again
from the dead.

That is why we proclaim today:
Jesus is Lord!

His resurrection fulfills
the prophecy of the Psalm:
God's mercy endures forever;
it never dies.

We can trust him completely,
and we thank him. . .
Pope Francis

He is Risen!
Indeed, He is Risen!

Dear Families,

I hope you are enjoying our Easter season and
the glimpses of spring that the Marquette
weather continues to bring.

Along with other changes for Fall of 2017, we
are excited to announce the roll out of
Catechesis of the Good Shepherd, also known
as Atrium, as a religion supplement for ages
3-6. (Put link here)

As always, my door is always open. Please
come and see me.

Blessings,
Mary Jo Scamperle

Registration for 2017-2018

Thank you to the many Father Marquette families
that have already registered for the 2017-2018
school year!

Did you know that early registration helps with
budget planning for next year and can even impact
teacher contracts? Per Diocesan guidelines, a
certain enrollment threshold must be met for
contracts to be issued. If you are planning to enroll
your child for another awesome year with our
dedicated and talented staff, please do not hesitate!

Scholarship Applications DUE!!

Your tuition scholarship forms must be completed in
Smart Tuition by **May 1st**. If you need assistance
contact Ashley Maves, FMMS Secretary at
226-7912 ext. 1

Catechesis of the Good Shepherd Program

Father Marquette Elementary School and the St. Peter Cathedral Faith Formation Office are delighted to announce the launch of the Level 1 Catechesis of the Good Shepherd program, beginning in the Fall 2017 semester.

"The Catechesis of the Good Shepherd is a Montessori-based religious formation program for children... It seeks to create and facilitate a sacred, 'hands-on' space for children called an Atrium, in which both the children and their catechists can hear, ponder, and celebrate the most essential mysteries of the Catholic faith as revealed in the Scriptures and the Liturgy. Originally developed in Rome by Sofia Cavalletti and Gianna Gobbi fifty years ago, the Catechesis continues to spread world-wide."(1)

Within the Atrium, the mysteries of God and of the child meet, drawing all into a deeper relationship with Him who loved us first. Each level is specifically tailored to the developmental stages and needs of the child. The focus of the Atrium is not intellectual; that is secondary. The Atrium is a retreat center designed to help the child come to God himself that s/he may come to know and grow in relationship with the Good Shepherd. (John 10: 14-15)

The sacred, hands on space of the Atrium will be housed in the Father Marquette Elementary School and as a shared program will be utilized by CGS trained catechists from both the school and St. Peter Cathedral Faith Formation.

The Atrium materials are predominantly hand made. Volunteer woodworkers, painters, seamstresses, and artists of all varieties are needed to build this special space for our children and God. Has God gifted you with any of these talents? If you can help us in any way, small or large, please contact Jenny Lochner, St. Peter Cathedral Faith Formation Coordinator at 869-1551 or Julie Smigiel at 250-0384. Please watch for the upcoming flyer with more details as well.

For more information about Catechesis of the Good Shepherd, as well witness from existing Atriums, please visit www.cgsusa.org or wosatrium.weebly.com (1).

Good Luck at the Religion Bee

A team of four students from each middle school grade will be competing at the annual religion bee on Wednesday at Holy Name.

2nd Grade Visitor

Mr. Paavola, the grandparent of Cooper Andresen, and City of Marquette worker, visited the 2nd graders to speak about his job and the water system of Marquette. He brought along pictures of the actual water line that goes 2,000 ft. into Lake Superior to pump in our drinking water to a plant. He also educated us on the different systems that run through our town and we got to see a bird's eye view of our school and the water pipes running near it. Thank you for visiting our classroom!
