Dear Families,

Thank you for allowing us to share this school year with your child. It was such a joy to watch them blossom into the individuals they are today.

"True teachers use themselves as bridges over which they invite their students to cross. Then, having facilitated their crossing, joyfully collapse, encouraging them to create bridges of their own." (Nikos Kazantzakis)
Our hope is that your child will continue to explore and create bridges of his/her own during the summer days and beyond.

Sincerely,

Mrs. Crowe
