Thank you!!!

Dear Families,

It is hard to believe that this Friday, June 2, will be our last day of school.

The year has gone by so quickly. I wanted to take the opportunity to say thank you for a successful school year. It has been a great year, and it has gone by so quickly. I appreciate all of your support in the classroom this year. I encourage your child to continue to read 20 minutes a day this summer. I hope everyone has a great summer! I hope to see everyone next year when your child returns for 3rd grade! Have a great summer! Miss Haney

Spelling Words:

Last we finished our spelling tests and spelling words. Thank you for working with your child each week to study with them for the tests. We will be wrapping up the year with reading games.

Math Goals

Rocket Math:

- 25 problems in one minute
- 40 problems in two minutes

This week in math:

We will be naming and identifying 3, 4, 5, and 6-sided shapes according to the number of sides and vertices. On Wednesday and Thursday we will be creating and building 3 dimensional shapes with marshmallows, toothpicks, and straws. We will also be playing some math games to wrap up the year.

Reminder!

Our technology department will be picking up all iPads this Thursday, June 1. Please have ipad, case, charging block, and charging cord ready to turn in.
