Phone: 765-948-5132 Fax: 765-948-3671

Chris Smedley, Principal

Sara Maggard, Guidance Counselor

Kyle Douglas, Dean of Students

Helpful iPad Hints and Information

1. Please keep iPads fully charged and ready for a day of work upon arriving at school. (We are limited on charging areas at school.)
2. Please keep the iPads in their protective case at all times.
3. Please send ear buds every day to school.
4. Please limit NON-educational games on the iPad.
5. Please do not change the settings on your iPad.
6. Do not allow other students to borrow your iPad.
7. Games/Apps that are of inappropriate or violent nature are prohibited to be downloaded on the iPad.
8. If a student leaves an app/site that is being used for instructional practice to “play” on the iPad for non-educational purposes, an alternate activity will be assigned to replace the iPad activity.
9. Students are to take the iPad home every evening and return with it each morning.
10. We discuss how to respect others and materials in class. The iPad is an educational tool and should be used as a way to expand your child’s learning opportunities and world. Any inappropriate use of the tool will result in a loss of the privilege.
11. Teachers have the ability to “push out” apps for our students to download on their iPads. If a message box comes up asking if you want to install an app (free and without purchase), please install that app.

This is a learning experience for all of us. Thank you for your patience as we take learning to the next level.
