

Parents: we need your help. Please make sure if you are dropping off or picking up your son or daughter before/after school that you do so in the back of the building at Door #6. Buses are coming in at various times in the morning to drop students off in the front of the building, and we need to keep the area clear of all vehicles to ensure our students' safety.

In the afternoon buses are lined up in front of the building to pick up the bus riders. Again, for various safety reasons, please do not pick your child up in front of the building after school while buses are parked out front.

Parents are permitted to drop off or pick up their son or daughter in the front of the building while school is in session between 8:15-2:45.
