Attendance

Regular and punctual attendance on the part of all students is necessary for success in school. For some students, one tardy or one absence can be detrimental to good work. Students are expected to be in school except in cases of emergency or one of the following reasons: personal illness, illness in the family, death of a relative, quarantine of the home, doctor appointment for illness, and other special reasons prearranged with the principal. Students are encouraged to have dental appointments after school hours.

Two types of admit slips will be issued for absences:

1. Excused (meets one or more of the above criteria)
2. Unexcused (missed work and assignments cannot be made up. A grade of zero will be issued for work missed.)

Remember, it is the responsibility of the student to seek make up work when an absence is excused

(usually within 3 days unless the work was assigned before the absence or the absence was a lengthy one.

Steps to follow when absent:

1. Bring a written excuse from a parent, guardian or doctor to the office (note should state name, days absent, and reason for absence). **All notes and excuses are due upon your return.**
2. Present the note to office personnel between 7:30 and 7:55 am.
3. An admission slip will be given to the student by the office personnel and must be presented by the student to each class he/she missed for the teacher's signature. Leave the admit slip with the last period teacher.
4. Only five (5) parent excuses will be accepted per year. At the end of the 5th parent excuse, an unexcused absence will be given unless the student has a doctor's note or has been pre-approved by the Principal and/or Assistant Principal. After five (5) unexcused absences the student will be referred to the Attala County Attendance Officer.
5. **CUMULATIVE ABSENCES:** There is a compulsory school law and absences will be referred to the Attendance Officer according to the law. A student who misses more than 25 days of school during a year, regardless of the reason, will not be promoted or receive credit for any course taken. Exceptions may be granted for extenuating circumstances such as accidents or extended illness when validated by a written excuse from a licensed medical doctor.

Tardiness

Students are expected to be in their seats when the tardy bell rings. There are 4 minutes between classes. There are very few valid reasons for being tardy. Each student is allowed 2 unexcused tardies. Upon obtaining the 3rd unexcused tardy and all subsequent unexcused tardies student may be subject to disciplinary actions. Only three (3) parent excuses will be accepted for tardiness in the morning (per semester).

Checkout Procedures

No student may leave campus at any time without obtaining permission from the Principal. Once a student reports to school, he/she is not to leave campus for any reason, other than with a parent, guardian or properly designated person. Any student leaving campus without permission can be suspended for a minimum of 3 days. To be eligible for participation in a school activity, a student must remain in school on the day of the activity. Exceptions may be granted by the building principal.

Out-Of-District Students

Students who live in another school district and wish to attend this school must obtain a transfer permit from their district's school board. This permit must also be approved by the Kosciusko School board. The students are responsible for their own transportation. Tuition must be charged.

WITHDRAWAL FROM SCHOOL

In the event it is necessary for a student to withdraw from school, the student is required to turn in all books to the classroom teacher and report to the Principal's office to pick up a withdrawal slip. All textbooks must be returned before a book card is issued. Student records will be forwarded upon written request by new school.

Report Cards and Grading System

Report cards will be issued each nine week term.

9 weeks averages will be determined as follows:
Homework-10%; Daily Grades-30% and Tests-60%

9 weeks grades will be determined as follows:
Nine Weeks Average = $\frac{3}{4}$; Nine Weeks Exam= $\frac{1}{4}$

Semester grades will be determined as follows: Both nine weeks grades will be averaged and will count $\frac{3}{4}$ of the semester grade. The semester exam will count the other $\frac{1}{4}$.

Seniors' final grade point average shall be calculated as follows:
All final averages shall be averaged for each course taken for a credit (Including specific courses taken in 8th grade).

Exemption From Final Exams

Students can earn exemption from final exams in the following ways:

1. Earn an average of 90 or above in a subject. (Exemption is figured by subject-not across the board.)
2. Maintain perfect attendance. Perfect attendance is defined as being neither absent nor tardy for any class. A student must possess a passing average for this rule to apply. Checking out of school (including study hall) negates perfect attendance. Perfect attendance is based on a class-by-class basis. (Except students will be granted up to 5 doctor or dental visits per year that are (1) hour or less each. These absences will require a doctor's excuse immediately upon return to school and will not affect perfect attendance.
3. The administration retains the right to review special cases and to grant exemptions in cases where students have demonstrated extraordinary improvement or where students fail to meet grade point requirements for exemptions.
4. Seniors falling under the above requirements may be exempt from first and second semester exams.

Classification of Students

Students involved in extracurricular activities and parent(s)/legal guardian(s) will be made aware of the drug testing process and the steps/consequences if a student tests positive. Every precaution will be taken to assure and maintain accuracy and confidentiality of the test results, including the maintenance of a documented chain of specimen custody to insure the identity and integrity of the sample throughout the collection and testing process.

PURPOSE: The purpose of the Drug Screening Program is to aid and assist students involved in extracurricular activities.
