

St. Mary's Piscataway Weekly Update

May 19, 2017

- Please do not allow your children to bring "fidget spinners" to school.
- Thank you to those who attended the last HSA meeting of the year. We had a chance to look forward to having a great year!
- Please remember that we love to enjoy our beautiful campus on lovely days outside. Along with this outside time, our children encounter insects from time to time. Please be diligent in checking your children for ticks when you get home each day.
- The talent show has been moved to Thursday, May 25 at 6:30 pm. We look forward to seeing you all there! We have already had our screening process and have some VERY talented children for you all to enjoy!
- We will be celebrating SPIRIT WEEK May 22-May 26, culminating with Field Day on May 26. Detailed information will be coming home today! We love to see how creative they can get within the guidelines. The lunch order form for May 26 is attached.
- We loved seeing all of the time and effort that your families put into the Faith Fair Projects. If you have a chance, please come and see all of the displays!
- Field trips are on the horizon for many classes! Please make sure you return permission slips promptly. All chaperones are first come, first serve and MUST be VIRTUS Cleared.
- We are also looking for mentor families for the Soaring Together program! If you are interested in mentoring an incoming St. Mary's family, please contact Mrs. Johnson at kjohnson@stmaryspiscataway.org.
- In order to see pictures and get updates please follow us on Facebook and Twitter!
