## Family Newsletter

### Principals' Message

It was wonderful to see so many families fill the Parish Center for our annual Christmas Program. The children were very excited to perform for you. There is nothing more precious than sharing the story of the Birth of Jesus through our students' voices.

As you celebrate Christmas, we pray that you enjoy the wonder and joy that the shepherds experienced when they heard the good news of Jesus' birth. We hope that you have the merriest of times with family and friends. Over Christmas vacation, it is our wish that you have time to take a break from the hustle and bustle of all the Christmas preparations to truly enjoy this special time of year. For everybody who is traveling near and far, please be safe. We look forward to seeing you in the New Year!

## Learning Over Christmas Vacation

Christmas vacation is a festive time to celebrate this joyous season with family and friends. With two weeks off, we also encourage the children to continue their learning in exciting and fun-filled ways. The students received a letter sharing a variety of opportunities they can experience as lifelong learners over Christmas vacation.

## Having a Blast at Our Faith Family Gingerbread House Contest

Last Friday, the faith families participated in a Gingerbread House-Making Contest. The 8th grade leaders chose this activity, and they determined the areas for which they would be scored. Some of those included creativity, color, neatness, stability, participation of all members, and clean-up. It was inspiring to watch as **all** of the children (TKs through 8th graders) work together to create their gingerbread houses. They used their problem-solving skills to determine the best way to build the houses, and the completed houses were unique to each faith family. The children enjoyed the process - yes, some of them enjoyed the sweets, also. They did such a good job with their houses that there was a 5-way tie for the faith families that earned the most points!
