

St. Bede GAP Gym Monitor Responsibility

During volleyball and basketball season, the Southern Alameda County (SAC) League schedules many SAC league games to be played at St. Bede's gym. In order to make sure that the Code of Conduct is followed, St. Bede's gym must be supervised by an adult representative at all times. Whenever St. Bede is the hosting gym for all SAC league games, GAP MUST furnish a parent volunteer to act as a "Gym Monitor" to supervise all games played.

"Gym Monitor" is a very important function of our GAP program, thus we need each parent volunteer to follow some simple guidelines:

1. The Gym Monitor is to control any situation, other than the game itself. The Officials will take control of the game.
2. A neon light green "EVENT STAFF" vest will be provided to each Gym Monitor and must be worn during each game. The vest can be found at the Scores Table and must be returned at the end of each game.
3. Gym Monitors are not to allow any food or drinks (excluding St. Bede Snack Bar), other than water, in the Gym and make sure the outside areas are free of snack refuge.
4. Make sure all children and adults stay off the courts before and during play. Including and around side courts and that there is no inappropriate behavior at any time.
5. Remind spectators that CYO has no place for inappropriate comments or inappropriate behavior and only positive comments should be expressed.
6. Gym Monitors must keep doorway clear of spectators. If at any time, you feel that you are unable to control a situation, please contact the assigned St. Bede GAP Board member for that day, a League Official, a Coach or Referee when the game is not in play.

THANK YOU FOR SUPPORTING ST. BEDE GAP
