Principals' Message

*"For where two or more are gathered in my name
there I am with them."
-Matthew 18:20*

God's loving presence was truly alive at our Parish Festival! We gathered for a weekend of joy and excitement, a time to reunite with friends and families as a strong parish community. We extend our heartfelt gratitude to all of our parishioners, alumni, parish and school staff, and school families who worked hard to host a fun-filled Parish Festival that provided us the opportunity to celebrate who we are as a faith community. There were so many delicious food items to choose from, exciting games for the children and adults to play, entertaining performances, and most importantly, the time for our parishioners, families friends, alumni and guests to grow in faith and fellowship together. Special thanks to *Fr. Seamus, Linda Montoya, Alyssa Paguio, Maj Paguio* and the rest of the parish staff and various church organizations for their diligent planning of this memorable weekend.

Preparing for Hay Day Play Day

A letter was sent home last week about the color teams for Hay Day Play Day which will take place on Fri, May 26th. Please be sure that your child wears their assigned team color, applies sunblock before coming to school, and brings a plastic water bottle. In addition, there is **NO PM EXTENDED CARE on Fri, May 26th** so everyone can enjoy their Memorial Day weekend.

Honoring Our Talented Students

Are you ready for a night of entertainment? Please join our Talent Show on **Fri, 6/2 at 6:30 PM**. The **doors will open at 6:00 PM**. **Admission to the Talent Show will be \$1**. **Student performers have free admission**. We are excited to use our new spotlights that were purchased from the funds raised at last year's event. During the event we will be selling delicious food and drinks. The proceeds will go towards enhancing our fine arts program which may include hosting drama performances and purchasing musical instruments. We really appreciate your support of the arts.

Preparing for the End-of-the-Year

It's hard to believe that we are quickly approaching the end of the school year. For billing purposes we have the following end-of-the-year dates for the Hornet's Nest, our extended care program:

- 8th Grade - Fri, June 2nd
- TK-7th Grade- Wed, June 7th

There will be no morning or afternoon extended care available for any students after **Wed, June 7th**. We appreciate your support and cooperation.

New Rule
No Shot, No School

Parents of Incoming 7th-12th Grade Students

Fulfilling 7th Grade Requirement

The state of California requires all incoming 7th grade students to have proof of a whooping cough Tdap booster shot before they can begin the school year. **Please provide an updated medical record indicating that your child has received the immunization booster to the school office by Thurs, June 15th**. In the past students have not been able to come to school because the child had not received the Tdap booster or the proper paperwork from the doctor's office had not been completed. Our state prohibits entry into 7th grade without this medical requirement. Thank you for your attention to this important matter.
