

UME Preparatory Academy

School Supply List 2015-2016

Dear Parents and Students,

As you prepare for the year at UME Prep, we invite you to keep the following in mind:

- UME Prep encourages personal responsibility, so supplies listed below, especially consumable supplies such as paper, pens, pencils, and crayons, will need to be replenished throughout the year as needed.
- UME Prep will not store these items in the classroom, so please bring what you need and leave the rest at home for future use.
- Parents, two important skills we can teach our children are organization and responsibility, so thank you for helping make this a practical learning opportunity.

Sincerely,
UME Prep
