### **PLAYOFF SCHEDULE TBA**

Championship caliber marching bands require champion student commitment. Our rehearsal schedule is not arbitrary. The schedule is designed to produce a standard of excellence that has defined the Lassiter Band Program for over 30 years. We ask that all students read, study, and adhere responsibly to the published schedule. All Rehearsals are mandatory. Absence requests may be made using appropriate procedures as found in the band handbook. Merits & Demerits will be awarded accordingly. Informational announcements and booster club information available at [www.lassiterbands.org](http://www.lassiterbands.org). We ask that all band students avoid taking the ACT on October 22, February 11, and April 8 as they are in direct conflict with several important band activities.
