## Indian Oasis-Baboquivari Unified School District #40

### Indian Oasis Elementary School

May 17, 2012

Dear Parents/Guardians of Kindergarten Students,

It certainly has been a pleasure to have your children experience Kindergarten this year! In order to adequately prepare your child to enter First Grade, we will be extending our Kindergarten year from June 1 until June 14.

Dates for Kindergarten will be from Monday, June 4 – Thursday, June 7 and from Monday, June 11-Thursday, June 14 (No Fridays). The school day will slightly change and new hours during summer will be from 8:30-2:30. Transportation will still continue for your child, although pick up and drop off times will change due to class schedule changes. We will notify you once we receive your signed permission below.

During these 8 days, the same Kinder Teachers will be teaching your child with the exception of about 15 Kinder children that are most at-risk. These 15 students will be with an outside Kinder Teacher from Lynn Urquides Elementary and will have these children the entire month of June. Parents of the at-risk youth will be notified in a separate letter.

Breakfast and lunch will be served, as usual, and the day will consist of extended learning in Reading, Writing and Mathematics. We hope you will be as excited as we are to have your children for two more weeks as we develop and prepare your child for First Grade. If you will please sign and return the bottom portion of this letter to your child's teacher, we will be able to begin work with our Transportation and Food Service team.

If you have any questions regarding this information, please do not hesitate to call me at your convenience at (520) 383-6750.

Respectfully,

Edna Morris  
Principal
